

Community Service Requirement Handout

Community Service Requirements have been altered; please read the stipulations below to ensure knowledge of all alterations to the graduation requirement. The following information will serve as a tool to assist you in fulfilling the community service graduation requirements:

Junior High School

Junior High School Mission: Teaching students how to serve by providing opportunities for him or her to serve and bond as a class, working alongside their teachers on activities planned by their teachers (with parent volunteers).

- Community Service will no longer be constituted as a part of Bible grade
- Community service is completed in a field trip format with their grade level. Eighth grade Christian leadership students will plan the field trip(s) for the year.
- Cross-curricular activities will be implemented, such as
 - a. English: writing assignment related to the service experience
 - b. Science: a coastal clean up or environmental project
 - c. Bible: A study on attitude
- The first year activities will be planned one per semester with two teachers teaming up to plan one of the activities.
- Some service projects will be organized by Juniors and Seniors working on their service project for graduation requirements. All students will be under the leadership of the Junior High teaching staff.
